The above people were enumerated by me while at work June 3, 1930. They stated they had not been previously enumerated and that they had been in Goose Creek from the last of March 1930 to the above date.

The names below were handed me by the time-keeper of the Construction Company who stated the men were in the town of Goose Creek the month of April and part of May 1930 when they were laid off, and had not been enumerated while on the job or in camp. The time-keeper stated most of the men had been working for the company on different jobs for over a year and the information was accurate.
